Convention 2022

Previous labeling
and logo

BIOS FIT

Packaging and Web Design

Redesign of the brand logo and labeling of the brand's capsule bottles, creation of 3D prototypes for advertising and creation of their website.

Label
redesign

Bios Fit®

Packaging design made for the brand Joie (kitchen accesories).

SMOLARZ DESIGN

Packaging Design

Creative graphic design studio specialized in packaging design and branding. Creation of the packaging structure and adaptation of the graphic elements according to the client's needs.

Packaging design made for the brand Melii (baby products).

Advertising material.

TRES SHOWROOM

Branding and Advertising

Brand dedicated to the sale of local brand products aimed at the female public. Creation of the logo and advertising material, both in digital and printed format.

Some of the logos designed for the brands that are presented at TRES Showroom.

Bottles designed for a brand of cider from Chihuahua called "Másara".

CIDER BOTTLE

Product Design

Másara seeks to boost regional products and show a new perspective of cider.

01

02

03

Trophies designed for the Book Fair of the City of Chihuahua. With the purpose of promoting the participation of the people in the event.

TROPHIES FOR LOCAL BOOK FAIR

Product Design

Because it is an event with a very limited capital, the trophies were designed to be made from inexpensive materials, from wood to resin.
